

REJECTED
BY eHARMONY

Was it my bangs? eHarmony didn't reject her because of her hairstyle. It's because she's gay. Harsh, right? But not too surprising. They've rejected over a million people looking for love. At Chemistry.com, you can come as you are. Gay or straight, our chemistry-inspired matches will lead you to the relationship that works for you. **And your first five are free.
